An important first step on your child's journey to college...

- **Get on track.** Test results show your child where his or her strengths are, what to work on to be college-ready, and how to stay on track from 8th - 12th grade.
- **Get stronger with practice.** After the test, your child can strengthen essential skills and knowledge for high school with free personalized practice on Khan Academy®.
- **Get matched with AP®.** Score reports may suggest AP courses that can provide an edge on college applications and an opportunity to earn college credit.

Please [click here](#) to pay for your child's registration of \$13.50 before September 26, 2019

*Students who participate will be invited to posttest social with live music in the afternoon.*
