Dear Mustang Parents:

I am writing to inform you that we are in the process of schedule changes, which will take place within the next week. These changes are necessary to keep our core class sizes at or below the state mandate of twenty-two (22). Because we experienced an increase of enrollment, we must shift students into additional courses to remain in compliance with the state's class size law. During this time, Virtual Counselor will be deactivated. Schedule changes will begin Monday, October 5th.

Our faculty & staff are committed to ensure every child receiving a schedule change experiences a smooth, painless transition. These schedule changes will in no way affect the integrity of the curriculum within all courses; I assure you your child's education will not be compromised and will remain first-rate.

Thank you for your support and understanding.

Very truly yours,

Steve Frazier
Principal
