

United States Attorney's Office, Southern District of Florida's Violence Reduction Partnership

THE POWER
OF
WORDS

**Let's have a
Conversation**

Dear Parent(s):

The United States Attorney's Office will be holding a 60-minute "The Power of Words" assembly for students at your child's school. The Power of Words is a juvenile prevention and intervention initiative of the United States Attorney's Office and the Violence Reduction Partnership. The Power of Words is a multi-media presentation/conversation designed for 6th through 9th grade students that focuses on how hurtful words can lead to threats and assaultive behavior. The presentation identifies common warning signs and proactive measures that can be used to identify potentially harmful and/or unhealthy interactions between students.

Please call or notify the school in writing if you do not want your child to attend the Power of Words assembly. No response to your child's school is an indication that you are consenting to your child attending the Power of Words assembly.

I do not want my child to attend the Power of Words assembly.
