RE: 2020-2021 Midterm Exam Dates & Times

Broward County School Board policy states the following: “In high schools, students shall be given examinations at the end of each semester. For semester and/or final examinations, a minimum testing time of one and one-half (1-1/2) hours shall be scheduled for each subject/course. Each student shall be provided opportunity to give self-expression in the form of a written explanation of knowledge attained. **Therefore, one-half of the time allotted to each examination should be devoted to essay or similar type of examination questions.
