**Westglades Middle School
11000 Holmberg Road
Parkland, FL 33076**

Please join us on March 4th at Westglades Middle School for an informative discussion with two of the world's leading authorities on crisis and recovery for children and families.

Dr. Jim Gordon, Director of the Center for Mind Body Medicine, and Dr. David Schonfeld, Director of the National Center for School Crisis and Bereavement at Children's Hospital Los Angeles will address the community and share valuable information for families coping with distress and recovery.

Dr. Gordon will discuss the work of the Center for Mind Body Medicine in Broward County Public Schools and demonstrate practical strategies parents can use to reinforce what their children are learning (or can learn) about coping with distress.

Dr. Schonfeld will answer questions parents might have about their children and other family members, how to know when more is needed to promote Recovery, and how to access additional support services. Please come prepared with questions and concerns.
