Rave Reviews for Ask BRIA

"To me, this is the absolute best version of tutoring possible during these unprecedented times. It highlights how our district is coming together to help our students the best way we know how."

Literacy Coach Melissa Cabrera

"When I heard about Ask BRIA I didn't want to join because I thought I'd be seen as dumb. I thought "why would someone need help with homework if they're smart?" I was having trouble with my Algebra 1 Honors course, so I joined the 8th grade math Teams meeting. I was skeptical at first, but the teacher helped me with the problem I was having and even called me smart for catching on quick. My experience with Ask BRIA was great! I recommend it – it's a ten out of ten!"

Middle School Student, Justin E.

"I think it's awesome that BCPS is offering a free tutoring service...It's giving kids quick and easy access to get help at the click of a button after school if they find they're really struggling with the day's lesson."

High School Senior William B.
