CCE Guiding Principles: Be Responsible, Be Respectful, Be Kind, Be Safe, Be inclusive

June 9, 2022

Dear Parents,

We have completed another FABULOUS year at Coral Cove Elementary. This year we adopted our CCE Guiding Principles: **Be Responsible, Be Respectful, Be Kind, Be Safe, Be Inclusive**. We practiced our principles every day creating a safe place to **Grow Kind Hearts and Bright Minds** every day.

This year Coral Cove has been focused on beautifying our school campus and building community. We cannot wait for everyone to see our beautiful new pelican mural at the entrance of our school. This mural was painted by our very talented, Mark Tibbetts!!!

This week Student Council under the direction of Mr. Jacobs, began installing a school garden. It is beautiful, and the students are very excited to tend it regularly!!!

A current classroom is being converted into a CCE Game Room!!! The game room will be used as part of our school wide positive behavior plan thanks to a grant Mr. Santiago received. He is working extremely hard to make it a very cool place for our pelicans! **See the attached flier to see ways you can help!!!!**

CCE is EXTREMELY excited to be the recipient of the Orange Bowl committee's Media Center Make Over!!! The renovation will take place in August, and we will have reveal it to our community during our fall book fair! Stay tuned! Our Media Center is going to look AMAZING!!!

Finally, report cards will be available via Virtual Counselor on June 30. Students FSA scores are posted there as well. FSA ELA and Math and FCAT Science scores are expected at the end of June.

SCHOOL STARTS ON, AUGUST 16 AND THIS FALLS ON A TUESDAY!! Please make sure to mark your calendars. Meet and Greet will be

held on **Monday, August 15**, from 9:00 AM-10:30 AM. You may meet your child's teacher at any time during these 90 minutes. Feel free to drop off your child's supplies on that day as well. Open House is **Wednesday, September 6**. Grades PK-2 is from 5:30 PM-6:30 PM and Grades 3-5 is from 7:00 PM-8:00 PM.

Our school theme for next year is:

KINDNESS THE LITTLE THING THAT MATTERS MOST!

If your child has outgrown their uniform clothes and you would like to donate them to our uniform closet, we would love to have them. Please bring washed and folded clothes bagged to the front office.

Please make sure your child reads during the summer. As I always say, Readers are Leaders, and we do not want students to experience the summer slide.

Most importantly, make sure your child has A LOT of fun this summer spending time doing the things he/she loves. The rigors of school have certainly increased over the years, and we need to ensure that our students re-energize themselves over the summer. Stay safe and have fun!

As I end my seventh year as the school's leader, I remain grateful and humble to serve this AWESOME community!!! Feel free to reach out should you need assistance over the summer!

Proud to be a Pelican,
Stephanie Saban, Principal
