COUGAR BANNER PROGRAM
2022-2023

This year we are happy to offer a limited number of spaces to display a banner advertising your business on the fence in the car loop at Glades Middle School. Your banner will be displayed for one year giving your business exposure to all our parents and visitors.

A banner will be placed on our fence surrounding the car loop area in the front of the school. The banner is to be provided by the participant. The banner may display your company logo and other pertinent messaging. All banner designs are subject to approval. If the banner becomes ruined or worn over time then a new banner is to be provided by the participant. There is a height restriction of no more than 4 feet and a width restriction of no more than 9 feet.

In this difficult economic period Glades Middle School has created this program as a way to support our staff morale boosters and events. Your support will assist in creating a culture of unity, community, and love amongst our students and staff here at Glades Middle School.

Pricing is as follows:

Year-long option:
\$500.00

Month to Month option:
\$125.00

Please fill out and return this portion if you are interested to Glades Middle School or contact Lauren Jack at 754-323-4600 or email Lauren.Jack@browardschools.com.
