JOIN GLADES MIDDLE SCHOOL PTSA

Dear GMS Parents,

On behalf of your GMS PTSA Board and myself, I would like to welcome you to another great school year! We truly love our school and the community of parents and teachers involved in making Glades Middle the magnificent school that it is. As the GMS PTA Board our goal is simple: To make our school and our students' educational experience the best they can be. However, to accomplish this we need your help. The best way you can help is to join the PTA. Your membership means a great deal to our GMS community, because the more members in our PTSA, the more powerful is our voice. By joining the PTA you are committing to nothing more than a nominal fee of \$10.00. **Becoming a PTSA member does not mean you are obligated to volunteer. You are simply committing to helping to ensure your child has the most well rounded academic experience possible in today's school environment.** Please keep in mind, none of this is possible without parent support. Any amount of time or financial support you can contribute to our students and school will be to your children's direct benefit and is greatly appreciated.

The GMS PTSA supports student activities and teachers throughout the year. Some of the things that PTSA supported last year included Honor Roll Certificates, Standardized Testing snacks, Red Ribbon Week, Teacher Appreciation Week, Curriculum Night, Harvest Drive, Black History Month, the 8th Grade Formal, student incentives, Field Day, Technology, Award Ceremony and much, much, more.

If you are available to volunteer, great! There are lots of opportunities. If you think that you can't join the PTSA because you just don't have the time to volunteer; think again. Giving your time is one way to support the PTSA, but another and just as important way is with your membership or donation. Join and support our school and our children by filling out this form and turning it in with your payment. Your membership is an important step in helping the PTA supports the students of Glades Middle School. Please join us today!

Thank You,
Gipsy Robles (President)
