PRINCIPAL'S MESSAGE

Dear Glades Middle School Families,

It is incredible to think that we are on the cusp of closing out what has certainly been an unprecedented school year. I want to personally thank you for all of your continued support in making sure our students remain on their path towards academic excellence! As we look to close out our school year, please be on the lookout for our virtual awards ceremony as well as our 8th-grade end-of-the-year "car parade" in celebration of our students transitioning to high school. I also want to highlight our Summer School: Reconnect Experience for those families interested in having their children attend school for a face-to-face, six-week academic and enrichment program. Registration information for this program can be found on our website at glades.browardschools.com. The Future Continues to Be Bright at Glades! I wish our students and families a successful close to the school year and a safe summer!

Sincerely,

Mr. Ricardo Santana

Principal Glades Middle School

AT HOME DAILY HEALTH SCREENING

Broward County Public Schools is committed to the health and safety of our students, our staff and our community. The District has instituted enhanced cleaning schedules, staggered work schedules and continues to reduce the number of people in our facilities to promote physical distancing.

In order to enter Broward County Public Schools facilities, all students, parents/caregivers, and employees should answer the following self-assessment questions at home each morning prior to coming to school:

DAILY HEALTH SELF ASSESSMENT QUESTIONS:

Do you feel warm, have a fever or elevated temperature (100.4), or have the chills?

Do you have a persistent cough, runny nose or sore throat?

Have you recently had a loss of taste or smell?

Has anyone in your household tested positive for COVID-19?

Have you been in close, unprotected contact with anyone who has tested positive for COVID-19?

(spent longer than 15 minutes within six feet of someone who was sick with a fever and cough or confirmed/suspected of having COVID-19)

Are you feeling sick or ill today?

Are you awaiting test results for COVID-19?

Have you been told to self-quarantine or self-isolate by a doctor or the Florida Department of Health?

If your child can answer "NO" to all of these questions, they may proceed to school.

If your child answered "YES" to any of these questions, you must contact the school nurse for further guidance.

Rave Reviews for Ask BRIA

"To me, this is the absolute best version of tutoring possible during these unprecedented times. It highlights how our district is coming together to help our students the best way we know how."

Literacy Coach Melissa Cabrera

"When I heard about Ask BRIA I didn't want to join because I thought I'd be seen as dumb. I thought "why would someone need help with homework if they're smart?" I was having trouble with my Algebra 1 Honors course, so I joined the 8th grade math Teams meeting. I was skeptical at first, but the teacher helped me with the problem I was having and even called me smart for catching on quick. My experience with Ask BRIA was great! I recommend it – it's a ten out of ten!"

Middle School Student, Justin E.

"I think it's awesome that BCPS is offering a free tutoring service...It's giving kids quick and easy access to get help at the click of a button after school if they find they're really struggling with the day's lesson."

High School Senior William B.
