Hello,

From October 15 - 31, 2024, all students in grades 4 -12 will have an opportunity to participate in the Life Skills and Wellness Student Survey by Rethink Ed. The purpose is to prepare our students for the 21st century workplace by identifying life and employability skills that are supportive both academically and beyond the classroom. Parents have the opportunity to opt their child out of this 45-question/15-minute survey, by completing an electronic opt-out submission or printing and returning the form. Both can be found on our school's website until October 1, 2024.
