Dear Parents/Guardians:

If your child is entering 7th grade in the upcoming school year, this is to advise that your child needs to be in compliance with the Health Department of the State of Florida immunization requirements.

The Tdap booster must have been administered after the age of 7 in order to fulfill this requirement.

Perhaps your child has already had the Tdap booster; in that case, we just need you to have your doctor fill out a new 680 Form and email it to Ms. Figueroa at Glades Middle School (contact info below).

If your child has not had the Tdap booster, please make an appointment with your doctor as soon as possible in order for your child to receive the Tdap booster and the new 680 Form. We must have the new 680 Form before the start of the next school year. Per district policy, if we have not received the updated 680 Form, your child will not receive a schedule for seventh grade until the required form is submitted.

Please email documentation and/or any questions you may have to Ms. Figueroa at Vivian.figueroa@browardschools.com Thank you for your support!

Thank you again,

Ricardo Santana, Principal
