• **Q: How can I register for the bus if I do not have a student ID? Or new to the district?**

**A:** To ride the school bus, every student must have a student ID. Please contact your school to get a student ID. It could take several days for your student information to populate in the transportation database (approx. 3-4 days). Then register your student using the Register to Ride webpage: <https://www.browardschools.com/Register2Ride>.

• **Q: Does the registration window close after school open?**

**A:** No. If, at any time, you need a bus, during the school year, you can go to the Register to Ride webpage: <https://www.browardschools.com/Register2Ride>. Once the bus stop is assigned, it will be uploaded to Virtual Counselor. Check after five business days with your student's school for bus assignment or check your child's Virtual Counselor.

• **Q: What if I answered NO and I changed my mind about needing school bus transportation?**

**A:** If your child is eligible for transportation, notify your child's school and "Register to Ride" for transportation on this webpage: <https://www.browardschools.com/Register2Ride>. Students do not have to ride every day to remain on the roster; however, they must ride at least once a week to prevent having their name/stop removed. If the stop/student is removed from the schedule a new registration request will be needed to reactivate the stop. Please note: For a student to ride the bus, they must be registered at school.

**• Q: I attempted to register my child for transportation but received a message saying "Thank you for your response, but you are not required to register at this time."**
