 <p>Teachers and staff have spoken! Congratulations to the incomparable Ms. Lieber, our Teacher of the Year!!! We could not be more excited to honor this amazing teacher and compassionate human being for her unparalleled dedication to her students. Ms. Lieber fights tirelessly to ensure that every student gets exactly what they need to be successful in the classroom, at Chess practice, and even after they leave her class. We are so proud to have Ms. Lieber leading the charge to engage all Cougars at Glades.
