Dear Beachside Montessori Families,

I have had the privilege of serving as principal of Beachside Montessori Village for the past 6 years. My time here has truly been a highlight of my years as an educator. I am writing to inform you that I have accepted a position as principal at the Posnack Jewish Day School. I am proud and honored to have been offered this new and exciting challenge in my career.

The pride that the Beachside staff, school, and community share is second to none! Our school will continue to be a pillar of the community. I am certain that our students will continue to thrive and excel academically and our parents will continue to support their children in their educational journey. Thank you to our parent leaders of SAC, SAF, and PTSA for their commitment to our school. Your dedication to our school is extraordinary.

In the next several weeks you will receive communication from Dr. Hall, Director of School Performance and Accountability, with details regarding a Community Forum meeting to outline the process for selecting the new principal here at Beachside. It is at that meeting that you will be afforded the opportunity to provide input and have any questions or concerns addressed.

I have enjoyed my time with you as principal. As much as I look forward to my next challenge, I will forever remember the impact Beachside has had on my career as an educator. Thank you from the bottom of my heart for a truly amazing experience. I will continue to put my heart into Beachside during these final months to ensure that our students will have a productive and meaningful remainder of school year.

Sincerely,

*Vered Roberts*

Vered Roberts
