Social and Emotional Learning Student Survey (SEL) Opt-Out Form

Social/Emotional Learning (SEL) is the process of developing the self-awareness, self-control, decision-making, and interpersonal skills that are vital for school, work, and life success. In order to guide effective SEL instruction, the District will administer a series of brief surveys. The data collected will solely be used by authorized BCPS staff to direct school activities and provide personalized SEL services for students. Specifically, the type of formative data collected will focus on self-awareness, self-management, social awareness, relationship skills, and decision-making.

The SEL sample surveys for 3rd - 12th grade and instructional materials can be viewed at: <https://www.browardschools.com/Page/62627> or by scheduling an appointment with your school's SEL Liaison. Additional parent resources and strategies on how to incorporate SEL at home can be found in our SEL & Mindfulness Toolkit for Families and Students: <https://browardschools.instructure.com/courses/1061943>
