BB&T Center

TEAM COOPER

The Cooper City Cubs invite parents, students, teachers and community members to join us for the Autism Speaks Broward Walk on Sunday, September 26th at the BB&T Center. This year we are excited to celebrate the launch of our new ASD program and to welcome our wonderful students to our school. Come join our Cooper City Elementary team to show your support and raise funds to improve the lives of people with autism. Donate and help us reach our Team goal of \$1,000! Donations can be made online at <http://act.autismspeaks.org/goto/coopercityelementary>
