

Cooper City Elementary School

Our first community service project for this year will be for Oakmonte Village of Davie Assisted Living Facility. Next week, it is National Assisted Living Facility Week and would like to honor our neighbors with baked goods.

Please bring in store-bought baked goods between Monday, September 20th and Wednesday, September 22nd. We will have a collection area in each parking lot. The goods will be delivered to Oakmonte on Thursday, September 23rd.

We appreciate all of your support.
