

Cooper City Elementary “Nautical” Ornaments

Dear Families,

Light Up Cooper City is December 3, 2021. We would like our schools' Holiday Tree (located at Memorial Park) to be representative of a “Nautical” theme. We are asking that each family create an ornament that highlights our Nautical topic this year.

Please note, this is strictly voluntary.

This project can create a meaningful and fun activity for you and your family! When you bring your ornament to school, your handcrafted creation will be displayed on our Cooper City Elementary tree for this exciting community event. Whether creating a simple ornament or an elaborate one, your participation and support is greatly appreciated!

Please bring your ornament to the front office by December 2nd.

Happy Holidays from Cooper City Elementary!
