SUBJECT: **2023/24 “REGISTER 2 RIDE” TRANSPORTATION PROCESS**

Last school year Broward County Public Schools joined other school districts in implementing a new initiative that requires all students eligible for school bus transportation to register. This initiative mitigated the driver shortage; created more efficient and effective routes; minimized daily route coverage and bus overloads; and improved arrival times.

Starting March 13, 2023, current and newly eligible bus riders can register to ride for the 2023/24 school year. Students must be registered by June 30, 2023, to guarantee a bus seat on the first day of school. Please inform students eligible for school bus transportation that to receive a bus assignment they **must answer the question** “Are you going to ride the school bus for the 2023/24 school year?” on tfsweb.browardschools.com/ride.

For additional Register 2 Ride information, including a list of frequently asked questions, visit browardschools.com/Register2Ride, call the customer service line at 754-321-4499 or email register2ride@browardschools.com.

NOTE: Transportation registration processes for programs such as Exceptional Student Education, 504, Foster, Homeless, and Teen Parent have not changed and will continue with processes established through the individual schools.

Your support in making this process a success is appreciated. Thank you in advance for your cooperation.
