PENNIES FOR PATIENTS

Country Hills Elementary School will be participating in The Leukemia & Lymphoma Society's School and Youth Program, Pennies for Patients.

From November 1 to November 22, students will collect spare change to support LLS's mission; to cure leukemia, lymphoma, Hodgkin's disease, and myeloma and to improve the quality of life for patients and their families.

THE US Mint estimates that there is \$13 billion dollars in loose change laying around in America! Check under couch cushions, in the car, on the sidewalk, and in the junk drawer!

Thanks for helping to fight cancer... one penny at a time!
