

Dear CHE Families – as we transition into summer, we have two new courses in Canvas to support our students' reading. Students were invited to join through their current Library Skills course by Mrs. Cuadra.

Please log into Clever and Canvas, then click on LIB SKILLS/INFO LIT to click directly on the link for Summer Reading. You may have to click on Courses over to the left if LIB SKILLS is not on your child's dashboard.

Kindergarten and 1st Grade students can use this link in your Chrome browser to access the course:

<https://browardschools.instructure.com/enroll/BL8RDF>

2nd through 5th grade students, please use this link in your Chrome browser: <https://browardschools.instructure.com/enroll/GRJ44F>

*2nd grade students are asked to join the 3-5 course as they are moving up to 3rd grade.

**Incoming Kindergarteners and new students to CHE should be able to access the courses once they are registered and have a student number.
