

John M. McKay Scholarship Public School Choice Option

If your child has a current, active IEP or 504 Plan, they may qualify to attend a public school other than their boundaried school using the McKay Public School Choice Option.

The application window for the 2021-2022 school year opens on **May 3, 2021**.

Please note:

- Students must be entering Kindergarten through 12th Grade.
- Students must have been enrolled, in attendance, and counted for October 2020 and February 2021 FTE periods.
- Nova, fully-Magnet, and Charter Schools do not participate in the McKay Scholarship.
- There are a limited number of available seats at each school and they are filled on a first-come first-served basis.
- Transportation is the responsibility of the parent and is not guaranteed.
- If the address showing on the application is not current, you must update it with the school prior to applying or your application will be denied.
- Preschool students should have their IEP transition to Kindergarten meeting prior to applying in order to avoid a delay in processing their application.

Have your child's student ID# ready and visit our application page on or after May 3, 2021:
