A Note from Mr. Lee, Principal

WELCOME TO THE 2019-2020 SCHOOL YEAR

As the school year gets underway, we will be focusing on our core business of teaching and learning. All of our grade level teams (K-5) will be planning integrated units of study incorporating all the content areas reflecting the Florida Standards. The level of rigor and addressing higher level thinking skills are necessary for career and college success. The goal of preparing our students is to become competitive participants in a 21st century global economy.

As this new year begins, I'd like to extend my appreciation and thanks to the PTA Board, community, students and staff for making the 2018 - 2019 school year so successful.

Looking ahead to the 2019-2020 school year, I know with your continued support, commitment and efforts, this year we will sail even higher as we "*Seas the A!*"

Proud Principal,
Donald E. Lee

DISMISSAL SAFETY

The safety of our students is very important!

Car Riders: Please use your hangtags.

If you need additional tags let the office or your child's teacher know. Stay in your car.

Walkers: Determine if your child will be exiting the west or east gate.

If there are any changes in how your child goes home, contact the office by 12:30 PM.

A note to the teacher is always a helpful confirmation.

Rainy Day Dismissal

Please discuss with your child!

We will hold all children if lightening is in the area. Make plans ahead of time on what you want your child to do on rainy days.

Will they be a car rider? Will they wait until it's safe and then walk home?

Be prepared!
