**Welcome Back, Charles Drew Tiger Cubs!** It is an honor and a privilege to have the opportunity to serve as your principal. I am elated to become a part of such an awesome community of dedicated teachers, staff members, students eager to learn, and an overall community of supportive stakeholders. **Our #1 goal for the 2021- 2022 school year is to “Gain and Maintain an A Grade.”** We are laser-focused on attaining this goal and looking forward to celebrating our successes with you.

We are proud to announce that our school has created *Gifted and High Achievers* classes on each grade level to accelerate students, giving them opportunities to engage in Project-Based Learning, Engineering, Coding, Field Trips, and a lot more. Smaller student-teacher ratio classrooms have been developed to ensure their success for our students who need a little extra academic support. This year we will expand student access to 21st Century Technology with the purchase of additional student laptops. Basketball, Cheerleading, Dance, Drama, Music, STEM/Robotics, and Soccer Clubs will be available on campus for our Tigers Cubs, allowing them to develop their various talents.

“**Education Is The Passport To Your Future**” is our theme and the urgency you will feel whenever you set foot on our campus. Everything in our school is done with the intent to create excellence. We look forward to serving you throughout the school year; united, we will accomplish great things.

Sincerely,

Mrs. Kicia Daniel, Proud Principal

## SAVE THE DATE!

### TRUNK OR TREAT

Come join us for a fun evening filled with creative, hands-on math activities that will get your kids to think about and make sense of numbers! We'll be playing games, making projects, and discovering how much fun math can be. And since all the

activities are designed around our math standards, it's a great way to reinforce the learning that goes on in the classroom. **Bring the whole family and come join your friends for some fun and engaging hands-on math!** Thursday, October 28th, from 5:30-7:30PM. Food and drinks will be available for purchase.

## VIRTUAL SUPPORT FOR QUARANTINED STUDENTS

As some may recall last year during virtual learning, BRIA was available after school hours as a source to help students with their assignments while we all remained at home. Well, BRIA is back and available during the school day to any student who must quarantine at home.

Ask BRIA instructor support is now available to quarantined students needing quick support on specific assignments from 9 a.m. – 2 p.m. daily. Students can access Ask BRIA through links on Clever or Canvas.

## In the Community

### Donuts with Dad

Father and father figures joined us with their scholars to enjoy a special breakfast as part of the Dad's Take Your Child to School Day.

### Men of Class

Drew Men of Class is to mentor 4th and 5th grade boys and to provide them with the guidance that is needed for them to succeed socially, emotionally and academically.
