BACK TO SCHOOL FORMS ONLINE

Parents/Guardians:

Welcome to the new school year. Please complete your child's back-to-school forms online. The forms are easy to complete and all data is protected and secure.

You will need your student's identification number. Use the Back to School Wizard below to step through the process. Forms can be filled out in **English, Spanish, Haitian-Creole and Portuguese.**

You must complete these forms at the start of each school year for **each student enrolled** in the District. If you are not able to complete the online forms in one session, you can resume where you left off at another time. It is recommended that you **set aside approximately 20 minutes for this process.** If you have questions about the Back to School Forms Wizard contact the school.
