A NOTE FROM MS. CUNNINGHAM...

I hope all our HBE families are continuing to stay safe and healthy! I miss having our boys and girls on our campus and interacting with them throughout the day. Starting the 2020-2021 school year without being able to look into their eager and excited faces will definitely not be the same. As we enter the school year with eLearning, I look forward to connecting with our students via the online tools offered to us. Like you, I cannot wait for the day when we can see each other again in person! We hope this newsletter is helpful in ensuring a smooth start for our HBE students and their families.

We are pleased to provide our students with an improved and enhanced eLearning experience this year! Our teachers have dedicated themselves to creating engaging and exciting lessons through the Canvas platform. Combined with five hours of interactive learning, we are confident that our students will get the most out of their virtual school experience. This year, our school learning theme is "TREKKING INTO A NEW LEARNING EXPERIENCE!" We know our students are ready to learn, and our staff is ready to provide them the nurturing they need for a "STELLAR" year as well as the structure and academics they need as they BLAST OFF for success!

Remember to visit your child's Canvas page and our school website for the most updated information. We look forward to staying connected during the time of eLearning and hope that it won't be long before all of our students return to HBE!

FIRST DAY OF SCHOOL! WEDNESDAY, AUGUST 19TH

Each student in BCPS has a suite of grade level appropriate academic tools available to them around the clock, every day of the year! Access to adopted textbooks, the Canvas Learning Management System and dozens of other resources are available through the Clever portal.

Students can access their suite of resources via the Single-Sign-On Clever Launch Pad. Some of the resources may require the teacher to provide access before the student can initiate the activities.
