

## Thanksgiving Food Drive October 28th - November 20<sup>th</sup>

Sponsored by the PTA & Student Council

It has been a tradition for Hawkes Bluff to help many families in need by providing traditional Thanksgiving dinners. We plan to provide meals for several Hawkes Bluff families, as well as 50 families from Davie Elementary School. We will send each family a decorated basket filled with food, along with a Publix Gift Certificate to purchase a turkey.

If possible, please buy your items at Publix. They are kind enough to let us exchange items when we are short or have too many of any item. If your family is able to donate extra money for the gift certificates, it will be greatly appreciated!!

All money should be put in an envelope marked Thanksgiving Food Drive. Listed below are the items we need if you would like to donate. Thank you!
