

# Have You Heard About HHE's MULTIAGE

Program? Join us for a “virtual” informational session on  
Thursday, May 6 @ 6:30pm

[CLICK HERE TO JOIN THE MEETING](#)

## Multiage Provides and Fosters:

- collaboration and problem solving
- leadership and observation
- action and reflection
- academic challenge and support
- taking risks and cementing learning skills

Applications for the upcoming school year  
will be available on the [School website](#).

“A multiage classroom is good teaching taken to a higher level. Students here work with a variety of abilities and do more cooperative work like they find out in the world.”

- Kathy Reed
