

Welcome Morrow Patriots to the 2022-2023 School Year

We are very excited to welcome all of our Morrow Patriot scholars and families back for the new school year. We are very proud to announce that Morrow Elementary continued the upward trend in student achievement as measured by the 2022 Florida Standards Assessment (FSA). Both ELA and Mathematics achievement increased by eleven (11) percentage points as compared to pre-pandemic scores of 2019. When compared to 2021, student achievement increased by nineteen (19) percentage points in ELA and twenty-nine (29) percentage points in mathematics.
