Hello Parent/Guardian,

Water safety is so important for everyone raising children in South Florida. Therefore, we are sharing resources from Water Smart Broward, a collective effort by Children Services Council, Broward County, and Florida Health to achieve and sustain a zero-drowning rate among children in Broward County.

Below are links that will direct you to their website for instructions on how to secure your free Swim Lesson Coupon, locations for swim lessons for your child, and additional water safety resources. These resources were created and provided by WaterSmart Broward.

Swim Lessons Near You: [*Swim Lessons Near You - Water Smart Broward*](#)

Additional Water Safety Resources: [*Brochures & Handouts - Water Smart Broward*](#)

Thank you,

Dr. Laurel Crowle,
Principal

Water Smart Broward offers low or no cost swimming lessons for children ages 6 months to 8 years old.

Drownings are quick and silent

Drownings can happen in as little as a few seconds. Children who drown generally do not scream, splash or struggle.

There are multiple layers of protection that can help prevent childhood drownings. These include door/window alarms, pool fences and gates.

Many drownings occur when a child leaves the house undetected. It is important to keep close and constant supervision.
