## **DO I NEED TO APPLY IF MY STUDENT HAD FREE OR REDUCED LUNCH LAST YEAR?**

Yes, you still need to apply for this year. For the first 30 days of school, a returning student will eat based on their prior year meal eligibility. This grace period ends on September 26, 2019, or until the application is processed for this school year.

## **WILL MY STUDENT HAVE TO PAY IF HE OR SHE IS NEW TO THE SCHOOL?**

Yes, new students will pay for meals until their application is processed. However, a new student who is a sibling of a returning student may be eligible to eat according to the sibling's prior year eligibility. This type of extension for a sibling is not automatic. Contact meal benefits at 754-321-0250 if you have additional questions regarding eligibility.

## **WHAT DOES FREE BREAKFAST INCLUDE?**

One breakfast meal is free to all students. Any additional a la carte items need to be paid for.

## **HOW MUCH DOES LUNCH COST?**

## **WHAT ARE EXAMPLES OF A LA CARTE ITEMS?**

Water and juice are a la carte items. These items cannot be charged.

## **WHAT HAPPENS IF MY STUDENT RUNS OUT OF MONEY?**

When a student runs out of money, Food and Nutrition Services will allow one charge. Then our wonderful PTA will pay for two hot lunches. After that, if the student's account has not been replenished, the student will get a cheese sandwich and a milk paid for by the PTA, which needs to be repaid so all students can receive the same benefit if it becomes necessary. After 3 cheese sandwich and milk alternative meals, the student's name will be turned in to administration.
