Dear Parents/Guardians

Our professional teachers are continuously working on professional development to develop their teaching skills and to increase their levels of content expertise.

We are recognizing teachers at NOB HILL ELEMENTARY who are expanding their expertise beyond their current certification by pursuing college coursework and/or training sessions to become certified or endorsed in another/other subject(s).

In order to remain in this/these assignments, the teachers will successfully complete required training within 12 months of the assignment or, if teaching the primary English or Reading class to identified limited English proficient students, in accordance with the Multicultural Education Training Advocacy (META) timeline.

These teachers are: Michelle Adamson, Lisa Compton, Sarah Clowdus, Kaylene Gonzalez, Nicole Nagorny, and Brianna Quinlan.

Sincerely yours,

Traci Porter  
Principal
