

Greetings North Side Family,

Welcome to the 2024-2025 school year. I am looking forward to an exciting year of teaching and learning with all our “STAR” students and families. Providing our scholars with a safe, equitable, learning environment remain the priority. We will work collaboratively with all stakeholders as we continue to bridge gaps for students academically, behaviorally, and social-emotionally. This year’s motto is: “We Shine Brighter Together”. We believe that everyone can shine, with effort and working to improve daily; school attendance daily is imperative to this growth. Let’s have an awesome school year as we strive to be an “A” rated school.
