# How can I check if my child has an obligation?

1. Go to https://bcps.browardschools.com/VirtualCounselor/

2. Click on Student and login using your child's student ID number (06 number) and birthday with a lower-case p (i.e. p01/01/2009).

3. Go to the **student info** dropdown box and click on Obligations. If your child owes any obligations they will be listed on this screen and the total of the obligations will be shown in red.

4. If your child owes an obligation, there are two ways to clear it.
    a. Your child can return the item that is owed (i.e. a textbook or library book) back to the school.

    OR

    b. Go to the e-store and pay the obligation.
