### Water Safety Resources

Hello Parent/Guardian:

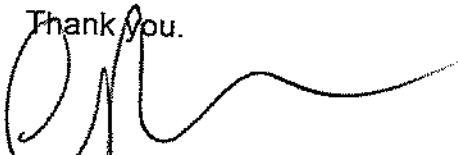

Water safety is so important for everyone raising children in South Florida. This is why we are sharing resources from Water Smart Broward, a joint effort between Children Services Council of Broward County, and **Every Child a Swimmer**, whose goal is to achieve and sustain a zero-drowning rate among children in Broward County. Below are links that will direct you to their website for instruction on how to secure your free Swim Lesson Coupon, locations swim lessons for your student and additional water safety resources. These resources were created and provided by WaterSmart Broward and Every Child a Swimmer.

Free Swim Coupon: Kids' Swim Coupon – Water Smart Broward

Additional Water Safety Resources: Brochures & Handouts – Water Smart Broward.

Thank you.
