

COOPER CITY HIGH SCHOOL

Dear Cooper City High School families, CCHS is working hard to support our families this school year with additional resources. Our friends at Revolution Prep are offering a free practice PSAT for sophomore students who are unable to attend on-campus on January 30th. There will also be an informational webinar for all of our families the following week, where you'll learn more about the PSAT and how to interpret the results.

Practice PSAT

For those students unable to attend the official PSAT on-campus, this will serve as a great practice opportunity to get a testing baseline. Taking practice tests under timed conditions is essential to being ready for the official test. A proctored practice exam will help your child build testing endurance and give a real-time snapshot of his or her testing performance.

Date: Saturday, January 30th

Time: 9:00am – 1:00pm (Live Online)

Every exam comes with a free 30-minute score report review with Revolution Prep's testing expert to assess specific strengths and areas of improvement. We highly recommend taking advantage of this opportunity. Schedule your consultation to review the score report with our school's dedicated advisor, Jennifer Vazquez, who will help you interpret the results and develop a customized plan to prepare for the official exam. In this presentation, parents will learn the different types of tests that students will encounter, how these tests are different from typical tests in school, the importance of your student's academic grades, when to start preparing, how to sign up for the SAT & ACT, and how to interpret your child's PSAT score reports.
