

Broward County Public Schools is increasing security measures at Varsity BCPS football games.

The new protocols will be implemented at games played at District high school stadiums when playing other Broward County Athletic Association teams. Prior to entering, spectators will be screened with handheld metal detectors by trained security personnel to ensure the safety of everyone in attendance.

Backpacks or bags will not be permitted, with the exception of diaper bags, which will be searched prior to being allowed into the stadium.

Additionally, there will be increased law enforcement and security presence at each game. There will be no re-admittance, and tickets will not be sold after the start of the 4th quarter.

We thank everyone for their cooperation in helping ensure our District provides safe environments for everyone attending BCPS football games.
