2025 – 2026 VPK/Enrichment Program Tuition and Fee Information

This document provides tuition and fee information for parents that applied for and were selected to enroll in the BCPS VPK/Enrichment (Tuition Supported) program.

Free VPK

All children who reside in Florida and turn four by September 1, 2025 are eligible to participate in the State's free Voluntary Prekindergarten (VPK) program. The VPK program provides three hours of free instruction per day.

Enrichment

The BCPS VPK program is complemented with an optional, three hours of tuition-supported, high quality instruction called Enrichment. Combining the 3-hour free VPK and 3-hour tuition-supported Enrichment programs creates a seamless, full-day program called **VPK/Enrichment**. Each VPK/Enrichment class will have one or more seats reserved for 3-hour VPK-only students.

Enrichment Registration Fee

There is a non-refundable registration fee for the optional Enrichment program. This fee is paid at the time of school registration. If a student is withdrawn or leaves the program at any time during the school year, the seat will be filled with a student from the wait list and a re-registration fee will be required for re-entry.
