Teacher, Principal, Assistant Principal and
School-Related Employee of the Year**

Revised: September 2022

The Caliber Awards is an annual program which recognizes and celebrates Broward County Public Schools (BCPS) outstanding teachers, school administrators and education support personnel. This document serves as the instructional manual to identify the BCPS teacher, principal, assistant principal and school-related employee of the year.

GENERAL INFORMATION

The Caliber Awards program honors employees who are nominated for their excellence in service to BCPS. Schools and departments participate in a comprehensive nomination and selection process to identify their teachers and school-related employees of the year. For the principal and assistant principal of the year selection process, BCPS stakeholders may submit nominations. All nominees participate in a multi-stage process leading to the recognition of the finalists in each category, and the winners are announced at the Caliber Awards ceremony. At the beginning of the school year, the program timeline, nomination process information, and application packets are available on the Caliber Awards website at browardschools.com/caliber-awards. Note: Finalists and winners may not apply for two consecutive years.

FACULTY COUNCIL

At the school level, the Faculty Council facilitates the selection process to identify the teacher and school-related employee of the year. This process includes nomination and voting activities. For the Faculty Council composition, see Appendix I, Article 17-C of the Collective Bargaining Agreement.

DISTRICT SCREENING COMMITTEE

The District Screening Committee evaluates the finalists by rating their application packets and conducting interviews. The Committee includes business and community representatives, BCPS employees, District advisory group leaders, a representative from the Broward Teachers Union, a student leader and the Caliber Awards winners from the previous year.

For more information about the Caliber Awards nomination process, contact Dr. Carolyn Stewart, District Community Relations Coordinator in the Office of Communications at 754-321-2300 or carolyn.stewart@browardschools.com.

- b) The Faculty Council requests a 100 to 250-word written rationale from the nominator or candidate who accepts the nomination.
- c) The rationales must be included in the election process when the two to four nominees are presented to the faculty/staff for voting.

**If more than four nominations are received, a preliminary voting process using Microsoft Forms is recommended to reduce the number of nominees to a maximum of four individuals for the final ballot. This virtual process is also recommended for the final voting activities as it allows for anonymity. See page 12, Appendix II, Virtual Selection Procedures for Caliber Awards Nominations.*

2. **Voting Preparation:** The principal/designee and the BTU Steward will collaborate to ensure that the nominee names (with written rationales) are distributed three days before voting; create ballot forms; and, inform faculty/staff of the election day.

3. **Election Day:** At the election meeting, the TOY and SREOY for the school shall be chosen by secret ballot election in which all Collective bargaining units (teachers, education support professionals, technical support professionals, facilities, security, clerical, & pool substitutes), and administrators are eligible to vote. ABSENTEE BALLOTS WILL NOT BE ACCEPTED.
4. **Voting:** The Faculty Council chairperson shall appoint two tellers (cannot be members of the faculty council or a TOY/SREOY nominee) to count the ballots. The school's TOY and SREOY will be the teacher and school-related employee receiving majority votes. The Faculty Council chairperson shares the results with the principal and the results are to be announced immediately.
