GUIDELINES

The purpose of this website is to list discounts or special offers that are available to Broward County School Board employees.

It is the business's responsibility to provide the Benefits Department with the information about the promotion for review. All promotions will be reviewed for appropriateness.

The information about your offer should be provided on the Broward County School Board Application Form. A link will be provided if you have designed a page on your website specifically for our employees.

The District has the right to remove information found to be inappropriate.

The District is only providing information that may be of interest to its employees and is in no way endorsing the businesses/services listed on the Benefits Discount web page.
