

THE CUBE

@ Stranahan High School
Broward County Public Schools

What is THECUBE @ Stranahan High School?

THECUBE (Creative & Unique Businesses Emerging) at Stranahan High School will provide a comprehensive experience that develops student led innovation by creating the mindset, industry credential attainment, employability skills, college dual enrollment, and aptitude to address and analyze real world issues and create products in the spirit of an entrepreneur. Students' academic experiences revolve around management principles, such as Six Sigma and incorporating the Entrepreneurial Mindset while providing students the opportunity to earn industry recognized certification. This is a collaborative partnership between NFTE (Network for Teaching Entrepreneurship and the Continuous Improvement Institute (CII). Development of college, career and life ready skills through applied entrepreneurship activities will transform classrooms into microcosms of society and business. This will result in students developing the traits and mindsets of entrepreneurs and corporate innovators while solving real world problems using the Six Sigma process. This process will involve students in internships, business mentorship and coaching, college dual enrollment, industry certifications, and potential scholarship and real business development opportunities.

Application Process

Students **currently** within the Stranahan High boundary/zone:

Applicants are to complete the provided application and submit it via email to theCUBESHHS@browardschools.com. Applicants will be selected on a first come, first serve basis. Please note that we will not be accepting more than 200 students. This application process is open to all students that are currently in the 8th and 9th grade. Applicants who turn in their completed application will receive a notice of application status by email.
