

Reassignment to Stranahan High

IMPORTANT: Please read the following two pages before completing the application.

HOW TO APPLY FOR SCHOOL CHOICE

STEP 1: CONFIRM YOUR CHILD'S STUDENT IDENTIFICATION NUMBER (06XXXXXXXX):

Each student must have a Broward County Public School student identification number in order to apply for a reassignment, magnet and/or Nova school. If your child currently attends a Broward County Public School, including Charter Schools, they already have a student ID number. If you are unsure as to what the number is, contact your school. If your child has never attended a Broward County Public School, you may go to any school to have a student identification number created.

STEP 2: COMPLETE A PAPER APPLICATION FOR EACH STUDENT:

Complete an application (on pages 3-4) for each student requesting a reassignment to Stranahan High for the THECUBE program. When providing an email address, please be sure to provide one that is checked frequently. Inaccurate or unchecked emails may result in the loss of your child's seat.

If your child has a sibling currently attending or applying to the requested school, please provide the sibling's information on the application.

STEP 3: SUBMIT YOUR APPLICATION

Review your paper application carefully, ensuring all information provided is complete and accurate. Sign and date your application. Be sure to attach any applicable required documentation. Providing supporting documentation does not guarantee the request will be granted.

Mail or hand deliver the completed paper application along with any required documents

to: Demographics and Student Assignment Department
600 SE 3rd Ave., Fort Lauderdale, 33301

It is the parent's responsibility to confirm the application(s) submitted is for the correct school and/or program.
