SUBJECT: **SUPERINTENDENT'S 2022/23 SCHOOL ATTENDANCE AREA RECOMMENDATIONS**

Due to the limitations on in-person gatherings imposed by the global corona virus disease of 2019 pandemic, and the inherent inequity of a fully virtual process which would inevitably impact participation of many stakeholder groups, the annual community school boundary process was put into abeyance this year. It is therefore my recommendation that all school attendance areas remain the same in the 2022/23 school year as they are in the 2021/22 school year.

As there are no recommended attendance area changes, public meetings to discuss the 2022/23 school attendance areas and school usage for all elementary, middle, high and combination schools will be held **during regularly scheduled School Board Meetings on February 15, 2022 and March 15, 2022, in the Kathleen C. Wright School Board Room.**

If you need additional information, please contact **Jill Young, director, Demographics & Enrollment Planning Department at 754-321-2565.**
