FROM: Robert W. Runcie
Superintendent of Schools

**SUBJECT: SUPERINTENDENT'S RECOMMENDATIONS FROM THE
OCTOBER 23, 2018 SCHOOL BOARD WORKSHOP ON INNOVATIVE
CONCEPTS AND COMMUNITY BOUNDARY PROPOSALS**

Based upon School Board consensus at the October 23, 2018 School Board Workshop, I am recommending not to proceed with the community boundary change proposal received during the June 1, 2018 - September 28, 2018 boundary proposal submission window. Furthermore, as staff has not brought forward any recommended changes to school usage or attendance areas, there are no proposals for consideration by the School Boundary Committee, and therefore there is no need for the committee to be convened for the boundary process to proceed.

The individual who submitted the proposal involving South Broward High School and Hollywood Hills High School has been contacted and encouraged to participate in the School Choice process which will enable her son to attend Hollywood Hills High School.

Public hearings have been scheduled to approve and adopt the 2019/20 school attendance areas and school usage recommendations for all elementary, middle, high, and combination schools at the **in February and March 2019, respectively.**

If you need additional information, please contact **Patrick Sipple, Director, Demographics & Student Assignments Department, at (754) 321-2480.**
