

# **MUNICIPAL REPORT**

For The Quarter Ending March 31, 2020 | FY20-Q3

### **PREFACE**

We are pleased to present the updated Broward County Public Schools (BCPS) **School Spotlight** editions specifically designed for city administrators, city commissioners, council-representatives and Broward County School Board Members.

The School Spotlight is a quarterly report that details the progress of facilities projects at each of the 232 schools participating in the SMART Bond Program. This "City Edition" of The School Spotlight provides a municipal breakdown of all approved renovation projects, projected costs, School Choice Enhancement Program initiatives and other ongoing or scheduled SMART Program projects.

These easy-to-read School Spotlights allow board members and city officials to better follow the progress of the facilities improvements within specific municipalities. The Spotlights will be updated every quarter to help city officials and school board members share timely information with business groups, community organizations, homeowners' associations and other key constituents as ongoing SMART Program projects continue to progress.

**SMART** (Safety, Music & Art, Athletics, Renovation and Technology) is the \$800 million capital improvement program to upgrade existing school facilities and to purchase new computer technology, athletic equipment and musical instruments to enhance the learning experience of Broward County students.

Reason: Delays occurred during the bid and award phase. Extensive negotiations were required in order to provide a quality GMP acceptable to the District. Remedy: The CM firm has been terminated due to inability to reach an agreement, and the project will progress with a Design/Bid/Build delivery method. Correction: The percent complete of the bid and award phase has been reduced to 5% to take into account the termination of the CM firm.

#### **COMMENTS:**

Original contractual date of substantial completion is 5/19/2020. Minor delays are being experienced related to the fire alarm submittal approval. Delays will continue until the fire alarm submittal is correct from the contractor. Update: The project is experiencing delays due to construction issues related to the design documents. The contractor will be submitting a time extension request.
