

Broward County Schools Food and Nutrition Services

Due to the novel coronavirus (COVID-19), all Broward County Public Schools will be closed beginning Monday, March 16. Broward County Public Schools remains committed to serving our community and will extend meals for breakfast and lunch to our students and families with valid ID or student number at select school locations, listed below.

Breakfast will be available 8-10 a.m. and lunch 11 a.m. to 1 p.m. on the dates school was previously scheduled to be open this week: Monday, March 16th, Wednesday, March 18th and Thursday, March 19th.

Students and family members who are present may collect a grab-and-go meal, which will be handed out in the bus or car loop as students either drive up or walk up with their family members to reduce risk of exposure.

For more information, or to find the nearest meal distribution center, please check the Mealviewer application or visit: <https://www.browardschools.com/food-service>.
