Identifying ELLs

The Home Language Survey (HLS):

- Is the first step in identifying a potential ELL
- Must be completed for all students in grades Pre-K through 12

Based on the HLS:
If "yes" is marked for any question, an assessment will determine if they qualify for ESOL program services.

If a student is identified as an **English Language Learner (ELL):**

- Data will be collected and entered on TERMS Panels
- Each Panel and its elements are reviewed in the following slides

If the answer is "YES" to any of these questions, the student must be tested for English proficiency.

☐ Yes ☐ No	Is a language other than English used in the home?	If "yes", which language?
☐ Yes ☐ No	Does the student have a first language other than English?	If "yes", which language?
☐ Yes ☐ No	Does the student most frequently speak a language other than English?	If "yes", which language?
