5.1 ENROLLMENT AND WITHDRAWAL

ALL CHILDREN WHO ARE SIX YEARS OLD OR WHO WILL BE SIX YEARS OLD BY FEBRUARY 1 OF ANY SCHOOL YEAR, OR WHO ARE OLDER THAN SIX YEARS OF AGE BUT ARE NOT YET 16 YEARS OLD, ARE SUBJECT TO COMPULSORY SCHOOL ATTENDANCE AND ARE THEREFORE REQUIRED TO ENROLL AND ATTEND SCHOOL REGULARLY (F.S. 1003.21). ALL COMPULSORY AGE STUDENTS ARE EXPECTED TO ATTEND SCHOOL EVERY DAY OF THE SCHOOL YEAR (SB POLICY 5.5). STUDENTS ARE TO ATTEND THE SCHOOL TO WHICH THEY ARE BOUNDARIED, ON THE BASIS OF THE GEOGRAPHICAL BOUNDARY IN WHICH THE PARENT(S) RESIDE, UNLESS OTHER SCHOOL BOARD POLICIES APPLY (POLICY 5004.1). IN ORDER TO ENSURE THAT STUDENTS ARE ENROLLED IN THEIR ASSIGNED SCHOOL, PARENTS MUST PROVIDE VALID DOCUMENTATION AT THE START OF THE SCHOOL YEAR OR ON THE DAY OF ENROLLMENT DURING THE SCHOOL YEAR. SCHOOL PERSONNEL WILL APPLY ALL STRATEGIES AVAILABLE, IN A TIMELY MANNER, TO VERIFY DOCUMENTATION PROVIDED.

I. DEFINITIONS

E. **Proof of Medical Examination**

1. Students, grades PreK-12, entering Florida Schools for the first time must present evidence of a medical examination performed within the twelve months prior to their initial enrollment (F.S. 1003.22).

2. For purposes of this rule (E) only, enrollment shall be defined as the day the student is brought to school to fill out necessary forms (i.e. registration) to become a Broward County Public School student. It is not necessarily the first day the student attends school for educational purposes.

F. **Proof of Immunizations**

1. Florida law requires that, prior to a child’s attendance in a public school in prekindergarten through 12th grade, parents shall provide a Florida Certificate of Immunization form (DH 680).

2. The Florida Department of Health shall determine the required immunizations which are outlined annually in a state publication titled, “Immunization Guidelines: Florida Schools, Child Care Facilities and Family Day Care Homes.”

3. The original DH 680 form is a permanent school record and should be filed in the student’s cumulative health record.

4. Students may attend school without a Florida Certificate of Immunization if they have a religious exemption (form DH680, Part C).

5. Principals will issue a 30-day temporary exemption for all students except those who transfer from one Broward County public school to another Broward County public school.
IV. PERSON ACTING AS PARENT

A. If the student lives in a residence licensed by the Department of Children and Families (DCF), the student may be registered and enrolled in the school that serves that licensed residence.

B. If the student is residing with someone other than the parent or legal guardian, the parent and the person acting as parent must complete, date, and sign a Person Acting as Parent Form, under oath before a notary.

C. The student must actually live the majority of the time with the person acting as parent to be assigned to the school within the attendance boundary of this individual’s residence.

D. This provision is not intended to permit students to live with a friend or family member for the purpose of securing enrollment at a particular school. Rather, this provision recognizes that extenuating circumstances may arise whereby a parent is unable to have his/her child remain in the home. Accordingly, a parent or person acting as parent must demonstrate the extenuating circumstances.

E. In situations where a natural parent or guardian is unavailable to provide a written notarized statement as required on the Person Acting as Parent Form, the requirement for such statement may be waived by the principal/designee. Examples include parents who have abandoned their child, are incarcerated, or are living in a foreign country. These students may be referred to the appropriate district staff for support services.

F. Should the principal/designee disagree with the stated extenuating circumstance, the parent shall be referred to the Office of Service Quality to make a final determination.

V. WITHDRAWAL

A. Only the parent who registers the student may withdraw the minor student from his or her current school, without proper documentation of extenuating circumstances indicating otherwise.

B. Pursuant to F.S. 1003.21, a child who attains the age of 16 years during the school year is not subject to compulsory school attendance beyond the date upon which he or she attains that age if the child files a formal declaration of intent to terminate school enrollment with the District School Board.
   1. The declaration must acknowledge that terminating school enrollment is likely to reduce the student’s earning potential and must be signed by the child and the child’s parent or legal guardian.
   2. The school district must notify the child’s parent of the child’s declaration of intent to terminate school enrollment.
C. The school shall conduct an exit interview and complete a drop out survey for all students who withdraw from school prior to graduation, regardless of age, to determine the reasons for the student’s decision to terminate school enrollment and actions taken to keep the student in school (F.S. 1003.21(2)(c)).

D. Students under 16 years of age may not be withdrawn from school for any reason unless covered by an exemption (F.S. 1003.21) coordinated by the Student Services Department and approved by the Superintendent or expelled through board action. This shall not be construed to preclude any student who transfers, withdraws, or is withdrawn for any of the above reasons from returning to the regular school program, providing the proper procedures for remaining in or returning to school have been followed.

E. When a parent informs the school that the child is being withdrawn for home education and the child stops attending school; the student is to be immediately withdrawn.
1. The District will follow up within 10 days to ensure that parents are in compliance with compulsory education laws.
2. Criminal charges may be filed against the parent(s) if the child is not placed in a school option within 30 days (F.S. 1002.41(1)(a)).

VI. INVESTIGATIONS OF FRAUDULENT INFORMATION

A. Schools have the right to verify any information provided by the student and/or the students' parent(s).

B. A person who knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his or her official duty shall be guilty of a misdemeanor of the second degree (F.S. 837.06).

C. A person who knowingly makes a false declaration under penalties of perjury is guilty of the crime of perjury by false written declaration, a felony of the third degree (F.S. 92.525).

D. Students whose parents are found, after appropriate investigation, to have submitted false information in an effort to enroll a student in a school to which the student was not assigned, shall be immediately withdrawn and referred for enrollment in the appropriate boundaried school.

E. Internal or external personnel including, but not limited to an investigator, may be utilized to conduct targeted checks by reasonable means, verify information provided and may utilize public records and databases, to the extent permissible under Florida and federal law.

F. The District may provide information to the appropriate county or state agency for prosecution for any fraudulent information knowingly submitted.
