BCPS on an International Stage

This past fall, Dr. Posner had the honor of being asked to serve as a speaker at the Process & Performance Management Conference. This international event is hosted annually in Houston, TX by the American Productivity and Quality Center (APQC).

Dr. Posner presented to professionals representing industries from around the world, on the innovative ways we are applying the Lean Six Sigma framework and tools here at Broward County Public Schools.

**Initiative Spotlight:
Prevention, Intervention, & Assistance**

Philip Harris, DBA
Recovery Program Manager

The work of Dr. Harris and his team includes embedding response and recovery content into our safety and security protocols, engaging a network of partners to increase our capacity to provide services, ensuring easy access to a broad portfolio of resources, and making BCPS more resilient in the face of adversity.

Thank you to Dr. Philip Harris for his outstanding leadership, and to Dr. Antoine Hickman, the Chief serving as the Executive Sponsor for this critical Initiative within our 2024 Strategic Plan.
